

FINANCIAL POLICY

Since your insurance policy is a contract between you and your insurance company, you are responsible for the cost of services you receive from the San Diego Hearing Center, Inc. If our office has a contract with your insurance company, we will bill your insurance for you. It is the responsibility of the patient to know whether their insurance company requires pre-authorization or a referral prior to any office visits. Please inform the office if such authorization is required before services are rendered.

It is your responsibility to notify us if your insurance type, primary physician, or primary medical group change, including any other changes that could affect your insurance coverage for services about to be provided. If we do not receive notification prior to rendering services, you may be responsible for the cost of services and/or products dispensed.

We accept assignment for all Medicare and Champus patients. Co-payments are due and payable each visit. ~~We regret that an accounting charge of \$4.00 must be added when a bill is mailed for any unpaid co-payments.~~

I have read and agree to the above statements.
